

Recommendation Letter

April 27, 2026

Dear Selection Committee,

My name is Evony Campos, and I am a dedicated high school student with a strong academic record and a passion for creativity, organization, and continuous learning. I am writing to express my interest in opportunities such as jobs, internships, scholarships, or academic programs where I can contribute meaningfully while continuing to grow both personally and professionally.

Throughout high school, I have maintained a 3.88 GPA and earned consistent placement on the Honor Roll. I have also been recognized as Student of the Month in both AP History and Art for my positive attitude, strong work ethic, and commitment to completing assignments with care and timeliness. These experiences reflect my diligence and ability to stay focused on long-term goals.

I have been actively involved in several school organizations, including the California Scholarship Federation for three years, the Art Club for three years, the Book Club for two years, CTEL, and VIDA Club. These activities have helped me build teamwork, leadership, and communication skills while allowing me to explore my interests in both academics and the arts. In addition, my role in drama as a Prop Master and Scenic Artist strengthened my creativity and ability to collaborate on complex projects.

Outside of school, I have contributed to my community through volunteer work. I assisted teachers and maintained classrooms in an after-school program, supported operations at an animal shelter, and helped manage timing and scoring for a local swim club. These experiences taught me responsibility, adaptability, and the importance of giving back.

I also bring technical and practical skills, including experience with HTML, CSS, Markdown, GitHub, Photoshop, VS Code, Netlify, and basic terminal use. My typing speed of 43 words per minute and strong organizational abilities allow me to work efficiently and stay detail-oriented in fast-paced environments.

I would describe myself as creative, conscientious, and diligent, qualities that guide my work and interactions with others. I am eager to take on new challenges, learn from experienced mentors, and contribute positively to any team or program I join.

Thank you for your time and consideration. I would welcome the chance to discuss how my skills and experience align with your goals.

Sincerely,

Evony Campos
High School Student
